To Whom it May Concern

We are both Accredited Service Officers through the Vietnam Veterans of America volunteering our time, helping Veterans with a variety of concerns and we first met Muhammad Zahid Chaudhry in November 2005. My wife and I have always been impressed with Muhammad the person. He is a very gentle person. He is a very caring person when my wife wasn't feeling well Muhammad has called me to check up on her. He also remembers to tell me to say "Hello" to Sally. In the past he has called our office to talk to me and then he asks if Sally is there because he just wanted to say "Hello".

He loves our country and ^{BFA} ~~before~~ 9/11 he enlisted in the Army even though he was not a citizen and he served honorably. This in itself speaks highly of his love for our country. We hope that his Application for Citizenship be granted because of his example that he has shown in the past and continues to show to this day.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.
