ATTEN: Chaudhry v. Napolitano

Recommendation for Citizenship in the United States of America  
Regarding  
Muhammad Zahid Chaudhry

Dear Ms. Napolitano,

I write this letter in support of Muhammad Zahid Chaudhry, which in turn is also for his wife Ann Chaudhry, other family members and friends, including me, who are directly affected with his immigration situation.

I have known Mr. & Mrs. Chaudhry for almost ten years. During this time, however many times we met, only thing comes to my mind is how kind and soft spoken Mr and Mrs. Chaudhry are all the times. I remember and will always remember how Mr. Chaudhry called upon Mrs. Chaudhry and mentioned to her that Me and my wife make a "Most Happy Couple". It needs a nice person to say nice things about others.

Mr. Chaudhry has helped me with my computer problems and considering the urgency, he had worked late nights trying to help me fix the problems with my computer.

I can write pages, to mention, how Mr. and Mrs. Chaudhry, would try to help us in every littlest things in our life, by the way which matters the most.

I am Deepak Dhruva., reside at 13 N 78th Avenue, Yakima, WA-98908, with my wife and two beautiful daughters (age 2 and 4 Years). I am 39, year old, became citizen of our country (United State of America), by Naturalization, on November 24, 2009 along with my wife. I am a Registered Pharmacist, working for Albertsons/Sav-on Pharmacy, in Yakima.

I came to U.S. in 1995 and became citizen of our country. I understand the value and eagerness to be a citizen of our country. I can see how Mr. Chaudhry and his close family and friends must be going through right now.

I like to avoid being a Judge or donot have a strong opinion in most cases, but I can clearly see that Mr. Chaudhry is a part of our community, and deserves to be a true citizen of our country.

Yours' Sincerely,

Deepak K. Dhruva
