Letter of Support and Recommendation for Citizenship
In the United States
for Muhammad Zahid Chaudhry

To Whom It May Concern:

My name is Carrie Larson, I am a natural United States citizen, and am 55 years old. I live at 314 No. 40th Ave, in Yakima, Washington. I am retired at this time. I have known Muhammad Zahid Chaudhry since late 2000 when my very dear girlfriend, Ann, introduced him to me some time before they got married. I was attendant and witness to Ann and Zahid's wedding. I personally knew Ann's first husband right up to his premature death from cancer, and I was very happy for her that she was able to find someone so caring and loving to her. I also know Ann very well, and I knew from the beginning that Zahid was someone very special to her, someone that makes her very happy and Zahid has done so since they first met.

Zahid is one of the most honest, sweetest men I've ever known; he would help us with anything we needed help with and he was always there no matter the circumstances. My husband and I have a lot of friends that call themselves friends, but you know how that goes; Zahid is a true, true friend, not only in a social sense but he will go out of his way, such as if you need him, he's there night or day as best to his capabilities. In my opinion, that is a true friend and that attests to his good character.

My husband and I have enjoyed many, many times of fun and laughter, sharing meals, and playing fun card and board games such as Aggravation, Monopoly, Uno, Racko, and others. Hardly a month goes by that we don't get together and spend hours and hours discussing many topics and catching up on family news. If we can't get together in person, we spend time on the phone chatting sometimes for hours.

Anyone who has served in the military and sustained permanent injury in the service of this Nation is the true definition of a citizen. He served in the Army to protect the freedoms we all enjoy as Americans, and he willingly did so by volunteering for the Washington Army National Guard, and I have the highest respect for that. If you have any questions that you would like to ask me, please feel free to contact me at 509-965-4949.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.

Carrie Larson
