TO WHOM IT MAY CONCERN

My name is Donna Lynn Smith. I am a natural born citizen of the United States. I am in my mid-fifties. I work as a substitute teacher in the Yakima School District in Yakima, Washington.

I met (Muhammad) Zahid Chaudhry at the Veteran's Day dinner at the First Presbyterian Church in Yakima, Washington several years ago. He and his wife, Ann, attended that special Veteran's dinner to honor veterans and those of our church and community that were involved with the Iraq war. My parents took pictures during the dinner and had one with Ann and Zahid which have been given over to another church couple for archiving.

(Muhammad) Zahid Chaudhry has shown good intentions towards the United States by training and serving, among other duties, in the military for Operation Iraqi Freedom, during which he became permanently disabled. I believe that he has shown that he is honorable, attentive and committed to the United States by serving his country in this capacity. He should be granted citizenship of the United States of America.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.
