Re: Muhammad Zahid Chaudhry

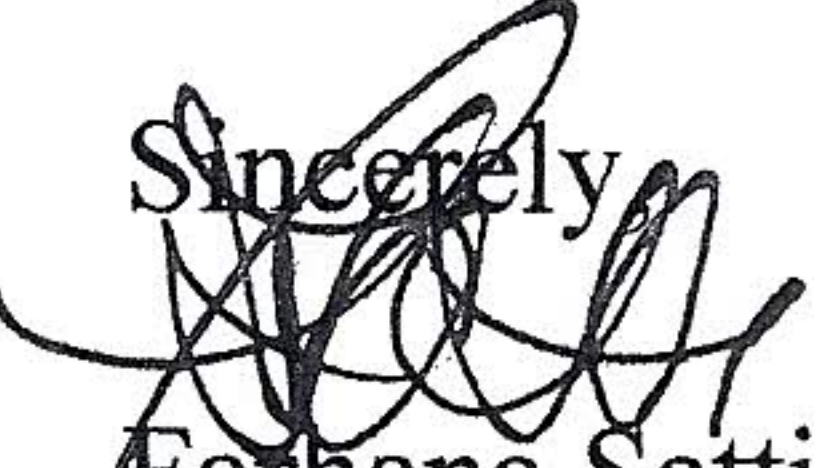

Dear Ms. Neapolitano:

I am shocked to read that our country has decided to deport a US army soldier, Muhammad Zahid Chaudhry, a combat medic. We read the story in various newspapers and heard it on the TV and radio. We downloaded the court documents from the website of the law-firm. We are ashamed and sorry that OUR country would deny an ARMY veteran's application for US citizenship based on 13-years old plea-bargains and plea-agreements in Australia. What happened to "Give me your tired your poor your huddled masses yearning to breathe free." Are we no longer that country?

I am worried about what would happen to him if he went back to his country of birth and the wrong people learned that he had been in the military of the United States. We will have blood of another innocent person on our hand and IF we let this happen, we let the terrorists win! Please do the right thing and grant him / approve his application for US citizenship.

Thank you very much!

Sincerely,
