

Recommendation for Citizenship in the United States of America

regarding

MUHAMMAD ZAHID CHAUDHRY

To Whom It May Concern

My name is Kathryn Rodkey Russell, 6 N 6<sup>th</sup> Street #608, Yakima, WA, and phone number is (509) 969-0667. Age 76 and a U.S. Citizen. I am mostly retired with a small internet business. When working I was an insurance agent, preschool teacher, marketing director and Child Development Director for the U.S. Navy at ASU Bahrain. I lived in the Arabian Gulf for three and ½ years and worked compatibly with many people from all over Asia, Pakistan, India, Bangladesh, Philippines, and Nepal.

I have known Zahid Chaudhry since I moved to Yakima in September 2001. I met him at First Presbyterian Church in Yakima and also have spent time with him as a guest in his home. I found Zahid to be an honest man, a very caring husband, loving toward his family, considers his stepchildren to be his children and adores his grandchildren. He has a great heart for children and people who are suffering.

Zahid volunteered with the American Red Cross and the Yakima Fire Department taking EMT training with the Fire Department. He worked as a manager with McDonald's and also worked at Home Depot among other jobs prior to serving in the military.

In March of 2001 Zahid joined the Washington National Guard to serve in his "home" state of Washington, and was activated in 2003 for Operation Iraqi Freedom. During training Zahid was seriously injured and later was honorably discharged in February 2005.

Zahid is a valuable member of the Yakima, Washington community, has served our state and would have further defended our country if he had not been injured. He has a loyal wife and family here. I feel it would be in the best interest of our country to make Muhammad Zahid Chaudhry a citizen of the United States of America.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.
