

Recommendation for Citizenship in the United States of America

regarding

Muhammad Zahid Chaudhry

To Whom It May Concern

Mr. & Mrs. Chaudhry are neighbors, and as such we have known them for about 6 years. Zahid has helped me with computer problems on several occasions. He is a caring husband, and generously provided a temporary home for an elderly gentleman friend for awhile.

He is a disabled veteran of the war in Iraq, called Operation Iraqi Freedom. He joined the military in 2001, and served until he was honorably discharged in 2005. He was also stationed in Texas, Oklahoma, California and Washington.

He and Ann were married on New Years Eve 2001 and I have recently given them a memento I had of the "Millennium" event.

I am Jeanette Otto, and I reside at 415 S. 34th Avenue, Yakima, WA 98902. I am a 67 year old citizen of the United States of America by birth. I retired from the U.S. Dept. of Homeland Security, Citizenship and Immigration Services, Yakima Sub-Office on May 1, 2004, where I ended my Civil Service career as the Interim Officer in Charge. As such I knew some of the particulars of Mr. Chaudhry's case up to that time. I am now acquainted with him as a neighbor and, as such, I highly recommend that his application for US citizenship be granted and processed to completion. He has served this country in war, suffered a painful and debilitating injury, been honorably discharged, and become a responsible and concerned member of this community.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.
