Letter of Support of Muhammad Zahid Chaudhry

To Whom It May Concern

My name is Robert Anthony Paxton; I am 31 years old and am a natural citizen of the United States of America. My address is 422 So 56<sup>th</sup> Ave. in Yakima, Washington. I have honorably served in the United States Navy; 5 years on the U.S.S. Abraham Lincoln. My father was a Vietnam Vet and my grandfather served in the Pacific campaign during the Second World War and too many additional campaigns to name. Currently I am attending college.

Muhammad Zahid Chaudhry's actions were crucial in moral support of our family in times of need. He is a dedicated and loyal friend, who will be sorely missed if not allowed to become a citizen of the United States. He checked in on and helped out my sick mother when I was away performing my duties in the United States Navy.

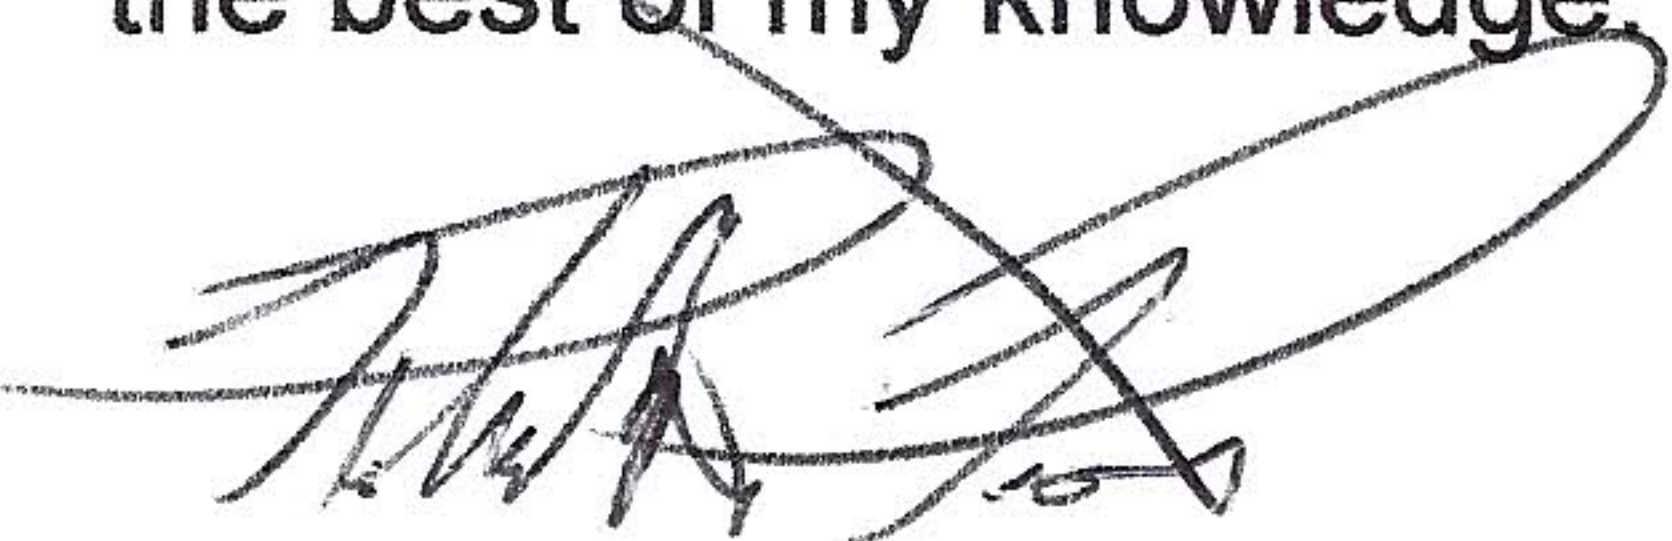

He has served with all sincerity and down to earth service to his community, state, and country.

Mr. Chaudhry is industrious and a motivated person who conscientiously made excellent contributions to the community. He helped out with his volunteer work with computers at rural Native American schools. Some of his accomplishments include donating time to AG repair shop, Red Cross volunteer, Yakima City Fire Department, He's always been a leader, ethically and morally of sound, and good character.

His actions and contributions reflect well upon himself and United States of America. Not to grant such a person their earned citizenship in the United States will be a travesty upon us as a nation, and is a grave injustice towards him. It will discredit all our good efforts and good will towards the rest of the world. And the world will see it as concrete evidence of injustice towards people of certain ethnic and religious backgrounds.

In light of his contributions to his city, state and country, it is in the best interest of the United States of America that Mr. Chaudhry be granted his citizenship.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge.
