U.S. Immigration Review Court
1000 2nd Ave, Suite 2500,
Seattle, Washington 98104

Dear Officer of the Court:

I write to you today in support of Zahid Chaudhry's application for citizenship. I met Zahid in January of 2013 when he was giving a presentation at the Tacoma First Methodist Church. Since that time I have crossed paths with Zahid and Ann Chaudhry several times during various volunteer activities. He is a very active and valuable member of our community. He exemplifies the qualities of what it means to be a "good citizen."

Zahid has served in our nation's military, and as a former First Sergeant in the U.S. Army Recruiting Command, I am well aware of the expedited application process that should be afforded to him. The fact that he has served in our armed forces places Mr. Chaudhry in extreme danger, should he be deported. I give my unconditional support to Zahid Chaudhry in his continued permanent residence in the United States, and recommend that his application for citizenship be granted.

Sincerely,

A handwritten signature in cursive script that reads "Gina E Bua". The signature is written in black ink and is positioned below the word "Sincerely,".
